

**Western Riverside Council of Governments
Grant Opportunities and Forecast
August 27, 2024**

*(**NEW!** is noted for grants added in the past 14 days)*

The grant opportunities beginning on the next page are part of WRCOG's emphasis to return as much grant funding to member agencies as possible. To that end, WRCOG may be able to assist member agencies with grant writing for the grant programs listed in Table 2. Please also see Table 3 for additional opportunities for your agency that cannot be facilitated by WRCOG but might be of interest.

To help clarify the level of effort needed to develop the proposals, we have created a key for ready reference.

Key: Level of Difficulty (LOD)	
Simple	A simple level of difficulty indicates an application that may take 8 hours or less to develop and can likely be accomplished “in-house” with minimal effort/allocation of internal resources.
Medium	A medium level of difficulty indicates an application process that will take a more substantial allocation of internal resources to accomplish and might possibly require outside assistance (20-70 hours to develop application).
Complex	A complex level of difficulty indicates a VERY competitive opportunity, with a small success rate and intensive grant-development and positioning.

Additionally, we have included the “Success Rates” for each opportunity (if known). This statistic is indicated in **blue** in the “Notes” column and provides the number of applications awarded in relation to the number of applications submitted (if known). The table also includes a link to past grant awards, if known. Success rates and links to past awards are not listed for “On the Horizon/NOFAs Not Released” section of Table 4.

Please contact Chris Tzeng, WRCOG Program Manager, at (951) 405-6711 for more information about grant writing assistance.

TABLE 1 New Grant Opportunities			
Deadline	Name of Grant	Grant Number*	Page Number
09/13/24	Grants to Law Enforcement	20	20
10/15/24	Pathways to Removing Obstacles to Housing (Pro Housing)	40	36
10/15/24 Notice of Intent	Building Resilient Infrastructure and Communities (BRIC)	41	36
10/15/24 Notice of Intent	Flood Mitigation Assistance (FMA)	42	37
11/04/24	Whale Tail Grant	47	41
11/15/24	Museums Empowered - Professional Development Opportunities for Museum Staff	49	43
11/15/24	Museums for America	50	44
11/15/24	Inspire! Grants for Small Museums	51	45
11/15/24	Local Partnership Program Formulaic	52	46
11/19/24	Solutions for Congested Corridors Program	53	47
11/20/24	Local Partnership Program (Competitive)	54	48
11/22/24	Trade Corridor Enhancement Program	56	50
12/31/24	Prohousing Incentive Program, Round 3	59	52

1	08/28/24 Electric Vehicle Infrastructure	Charging and Fueling Infrastructure Program Round 2. To strategically deploy publicly accessible electric vehicle charging and alternative fueling infrastructure in the places people live and work--urban and rural areas--and along designated Alternative Fuel Corridors . The program funds: 1. Community Charging and Fueling Grants (Community Program): To strategically deploy electric vehicle (EV) charging infrastructure, hydrogen fueling infrastructure, propane fueling infrastructure, and natural gas fueling infrastructure located on public roads or in other publicly accessible locations. 2. Alternative Fuel Corridor Grants (Corridor Program): To strategically deploy charging and alternative fueling infrastructure located along designated alternative fuel corridors.	U.S. Department of Transportation	Federal	Community: Minimum award amount of \$500,000, maximum award amount of \$15 million. Corridor: Minimum award amount of \$1 million, no maximum award amount.	20%	Website Link to Prior Awards: Link Success Rate: Not Available LOD: Complex

3	08/29/24 Homelessness	Youth Homeless Demonstration Program. To support selected communities in the development and implementation of a coordinated community approach to preventing and ending youth homelessness. The demonstration has the following objectives: • Prevent and End Youth Homelessness; • Build national momentum; • Promote equity in the delivery and outcomes of homeless assistance; • Highlight the importance of youth leadership; • Evaluate the coordinated community approach; • Expand capacity; • Evaluate performance measures; and • Establish a framework for Federal program and TA provider collaboration. Separate from this NOFO, technical assistance will be available to selected communities to assist them in analyzing community strengths and needs, developing a coordinated community plan (CCP), implementing the plan, and then engaging in a process of continuous quality improvement.	U.S. Department of Housing and Urban Development	Federal	\$600,000 – \$15 million Total funding to each community is based on a formula outlined on pages 14-15 of the NOFO.	25%	Website Link to Prior Awards: Link Success Rate: Not Available LOD: Medium

4	08/29/24 Rural 10/03/24 Tribal Housing	National Housing Trust (Loans). To provide funding for the acquisition, new construction, and rehabilitation of permanent rental housing for extremely low-income households. Financing available as a deferred payment loan or forgivable loan. The regulatory agreement will be for 55 years.	California Department of Housing and Community Development	State via Federal	\$20 million	Not required	Website Link to Prior Awards: Not Available Success Rate: Not Available LOD: Medium
5	Planning and Demonstration Grants: 08/29/24 Transportation	Safe Streets and Roads for All. To improve roadway safety by significantly reducing or eliminating roadway fatalities and serious injuries through safety action plan development and refinement and implementation focused on all users, including pedestrians, bicyclists, public transportation users, motorists, personal conveyance and micromobility users, and commercial vehicle operators. Eligible projects: • Develop or update a comprehensive safety action plan (Action Plan). • Conduct planning, design, and development activities in support of an Action Plan. • Carry out projects and strategies identified in an Action Plan.	U.S. Department of Transportation	Federal	Planning and Demonstration Grants: \$100,000 to \$10 million Implementation Grants: \$2.5 million to \$25 million	20%	Website Link to Prior Awards: Not Available Success Rate: Not Available LOD: Medium to Complex

8	08/30/24 Phase 1 09/30/24 Phase 2 Health Care Delivery	New Access Points Grant. To support new health center service delivery sites to expand affordable, accessible, and high-quality primary health care for underserved communities and populations. Funding will be used to provide primary health care services at one or more new access points. Request funding to serve one or more specific population types: • Community Health Center (CHC) • Migrant Health Center (MHC) • Health Care for the Homeless (HCH) • Public Housing Primary Care (PHPC) After successful submission in Grants.gov (Phase 1) and subsequent processing by HRSA, you will be notified by HRSA confirming the successful receipt of your application and the requirements for the Project Director and Authorizing Official to review and submit additional information in HRSA Electronic Handbooks (Phase 2).	U.S. Health Resources and Services Administration	Federal	\$650,000	Not required	Website Link to Prior Awards: Not Available Success Rate: Not Available LOD: Medium
9	09/03/24 Water	Cooperative Watershed Management Program - Phase 2. Funds watershed group development, watershed restoration planning, and watershed management project design.	U.S. Bureau of Reclamation	Federal	Minimum: \$10,000 Maximum: \$300,000	Not required	Website Link to Prior Awards: Not Available Success Rate: Not Available LOD: Medium

11	09/04/24 Housing Health	Lead Hazard Reduction Capacity Building Grant. To undertake comprehensive programs to identify and control lead-based paint hazards in eligible privately owned rental or owner-occupied housing. Funds must only be used under this grant program to provide assistance (lead-based paint inspections/risk assessments and lead hazard control work) for pre-1978, privately owned housing that is not federally assisted and that meets the following criteria: 1. For rental housing occupants, at least 50% of the units must be occupied by or made available to families with incomes at or below 50% of the area median income level and the remaining units must be occupied or made available to families with incomes at or 80% of the area median income level, and in all cases the landlord must give priority in renting units assisted under this section, for not less than three years following the completion of lead abatement activities, to families with a child under the age of six years, except that buildings with five or more units may have 20% of the units occupied by families with incomes above 80% of area median income level; or 2. For housing owned by owner-occupants, all units assisted with grants under this section must be the principal residence of families with income at or below eighty percent (80%) of the area median income level, and not less than 90% of the units assisted with grants must be occupied by a child under the age of six years or must be units where a child under the age of six spends a significant amount of time visiting.	U.S. Department of Housing and Urban Development	Federal	Minimum: \$500,000 Maximum: \$2.5 million	10%	Website Link to Prior Awards: Not Available Success Rate: Not Available LOD: Medium to Complex

13	09/04/24 08/01/25 Wildlife Crossings	Wildlife Crossings Pilot Program. For projects that seek to achieve a reduction in the number of wildlife-vehicle collisions (WVC); and improve habitat connectivity for terrestrial and aquatic species. The WCPP provides funding for two project types: <u>Construction Projects</u> include engineering, design, permitting, right-of-way acquisition, and other activities related to the construction of infrastructure improvements, such as the building of a wildlife crossing overpass or underpass. <u>Non-Construction Projects</u> include planning, research, and educational activities that are not directly related to construction of infrastructure improvements, such as a hot spot analysis of WVCs. All projects should seek to protect motorists and wildlife by reducing the number of WVCs and improve habitat connectivity for terrestrial and aquatic species.	U.S. Department of Transportation	Federal	None	20%	Website Link to Prior Awards: Not Available Success Rate: Not Available LOD: Medium to Complex

14	09/09/24 Transportation Safety	Highway Safety Improvement Program. To achieve a significant reduction in fatalities and serious injuries on all public roads including non-State-owned public roads. All proposed projects must lead to the construction of safety improvements. There are two application categories: • Projects requiring a Benefit Cost Ratio (BCR) • Funding Set-asides (SA) – Do not require a BCR ○ Set-aside for Guardrail Upgrades ○ Set-aside for Pedestrian Crossing Enhancements ○ Set-aside for Installing Edgelines ○ Bike Safety Improvements ○ Set-aside for Tribes	U.S. Department of Transportation and California Department of Transportation	Federal and State	BCR category: \$10 million SA category (only one application per agency): Guardrail Upgrades maximum: \$1 million Pedestrian Crossing Enhancements maximum: \$350,000 Installing Edgelines maximum: \$350,000 Bike Safety Improvements maximum: \$350,000 Tribes maximum: \$350,000 Minimum for a single project: \$100,000	The maximum reimbursement may be 100%, 90% or 50% per the project's safety countermeasure as defined in Section 4.2 of the Local Roadway Safety Manual (LRSM). If a project uses multiple countermeasures which have different maximum HSIP reimbursement ratios, the lowest ratio applies. 17	09/10/24 Electric Vehicle Infrastructure	EnergIIZE EV Jump Start. For commercial fleets, site owners, or others who seek to deploy charging infrastructure for Medium-Duty and Heavy-Duty (MDHD) electric vehicles (EVs).	California Energy Commission and CALSTART	State	75% of the total eligible adjusted project cost with a maximum award of \$750,000	25%	Website Link to Prior Awards: Not Available Success Rate: Not Available LOD: Medium
18	09/11/24 Habitat Preservation	Environmental Enhancement Fund. To support environmental enhancement projects located within or immediately adjacent to waters of the state. An enhancement project is a project that acquires habitat for preservation, or improves habitat quality and ecosystem function above baseline conditions, and that meets all the following requirements: 1. Is located within or immediately adjacent to waters of the state, as defined in California Government Code (of Section 8670.3); 2. Has measurable outcomes within a predetermined timeframe, 3. Is designed to acquire, restore, or improve habitat or restore ecosystem function, or both, to benefit fish and wildlife.	California Fish and Wildfire Department	State	\$500,000	Not required	Website Link to Prior Awards: Link Success Rate: Not Available LOD: Medium

19	09/12/24 Recycled Tires	Rubberized Pavement Grant Program. To divert waste tires from landfill disposal, prevent illegal tire dumping, and promote markets for recycled-content surfacing products derived from only California-generated waste tires. It is aimed at encouraging first-time or limited users of rubberized pavement in two project types – Rubberized Asphalt Concrete Hot-Mix (Hot-Mix) and Rubberized Chip Seal (Chip Seal). An application may include rubberized pavement (hot-mix and chip seal) projects for roadways, Class 1 bikeways (as defined in Streets and Highway Code section 890.4(a)), greenways, and disability access at parks. A greenway is a travel corridor for pedestrians, bicycles, non-motorized vehicle transportation, recreation, or a combination thereof, located along natural landscape features, such as an urban watercourse. Hot-Mix Projects must use a minimum of 2,000 tons of RAC hot-mix (1,000 tons for Tribal Entities). Chip Seal Projects must use a minimum of 40,000 square yards of chipseal material (20,000 square yards for Tribal Entities).	California Department of Resources Recycling and Recovery (CalRecycle)	State	\$250,000 for individual application \$350,000 for regional application \$500,000 for tribal application	Not required	Website Link to Prior Awards: Not Available Success Rate: Not Available LOD: Medium

24	09/23/24 08/25/25 08/24/26 08/23/27 Fish Passage	National Culvert Removal, Replacement, and Restoration Grant Program (Aquatic Organism Passage). For the replacement, removal, and repair of culverts or weirs that would meaningfully improve or restore fish passage for anadromous fish. Eligible project types: • Culverts and weirs having a transportation nexus and posing barriers to anadromous fish. With respect to weirs, projects may include infrastructure to facilitate fish passage around or over the weir and weir improvements. • A weir is a constructed barrier on a stream channel designed to provide hydraulic control without completely stopping flow or creating a large storage impoundment. A dam is not a weir for the purposes of this program.	U.S. Department of Transportation	Federal	None	20%	Website Link to Prior Awards: Not Available Success Rate: Not Available LOD: Medium to Complex

26	09/23/24 Railroad Safety	Railroad Crossing Elimination Grant. For highway-rail or pathway-rail grade crossing improvement projects that focus on improving the safety and mobility of people and goods. Eligible Projects: • Grade separation or closure, including through the use of a bridge, embankment, tunnel, or combination thereof; • Track relocation; • Improvement or installation of protective devices, signals, signs, or other; • Measures to improve safety related to a separation, closure, or track relocation project; • Other means to improve the safety if related to the mobility of people and goods at highway-rail grade crossings (including technological solutions); and • The planning, environmental review, and design of an eligible project type. Note: projects may require more funding than is available. Federal Railroad Administration (FRA) encourages applicants to propose a project that has operational independence, or a component of such project, which can be completed and implemented with funding under this NOFO as a part of the total project cost together with other, non-federal sources.	U.S. Department of Transportation Federal Railroad Administration	Federal	No maximum funding limits. However no more than 20% of available funds will be awarded for projects in any single State. Minimum \$1,000,000 except for Planning projects. Projects requesting less than \$1,000,000 must consist solely of Planning activities.	20%	Website Link to Prior Awards: Link Success Rate: Not Available LOD: Medium to Complex

27	09/23/24 Digital Equity Access	Digital Equity Competitive Grant Program. To address barriers to digital equity faced by Covered Populations as defined by 47 U.S.C. §1721(8). The program will support efforts to achieve digital equity, promote digital inclusion activities, and spur greater adoption and meaningful use of broadband among the Covered Populations. Grant funds must support not less than one of the following activities: a. Develop and implement digital inclusion activities that benefit one or more of the Covered Populations. b. Facilitate the adoption of broadband by Covered Populations to provide educational and employment opportunities to those populations. c. Implement training programs for Covered Populations that cover basic, advanced, and applied skills or other workforce development programs. d. Make available equipment, instrumentation, networking capability, hardware and software, or digital network technology for broadband services to covered populations at low or no cost. To construct, upgrade, expend, or operate new or existing public access computing centers for Covered Populations through community anchor institutions. e. Undertake any other project and activity that the Assistant Secretary finds to be consistent with the purposes for which the Program is established.	U.S. Department of Commerce, National Telecommunications and Information Administration (NTIA)	Federal	There are no minimums or maximums. Grants are expected to be in the range of \$5 million to \$12 million.	10%	Website Link to Prior Awards: Not Available Success Rate: Not Available LOD: Complex

33	09/30/24 Transportation	Reconnecting Communities Pilot. To advance community-centered transportation connection projects, with a priority for projects that benefit disadvantaged communities, that improve access to daily needs such as jobs, education, healthcare, food, nature, and recreation, and foster equitable development and restoration, and to provide technical assistance to further these goals. There are two grant types: - Capital Construction: To fund both reconnecting-focused projects and smaller projects focused on reducing environmental harm and improving access in disadvantaged communities. Projects may address: - Removal of a dividing facility; - Enhance community connectivity; and - Improved access by building or improving Complete Streets. - Community Planning: To provide funds for planning activities to support future construction projects and allow for innovative community planning to address localized transportation challenges. Projects may address: - Community engagement activities; - Planning studies to assess the feasibility of removing, retrofitting, or mitigating an existing eligible facility to reconnect communities; - Conceptual or preliminary engineering or design; and - Other needs including land-use and zoning reform, transit-oriented development, housing supply, among others.	U.S. Department of Transportation	Federal	Planning: \$2 million Construction: \$5 million to \$100 million	Planning: 20% Construction: 50% grant cost share and 80% federal share maximum	Website Link to Prior Awards: Link Success Rate: Not Available LOD: Medium
